POLISHING RAW STONES TO SHINING JEWELS

A GAME CHANGING EDUCATION MODEL

Empowering Hafiz-e-Qur'an through
Holistic Education for a Brighter India.

OUR PURPOSE

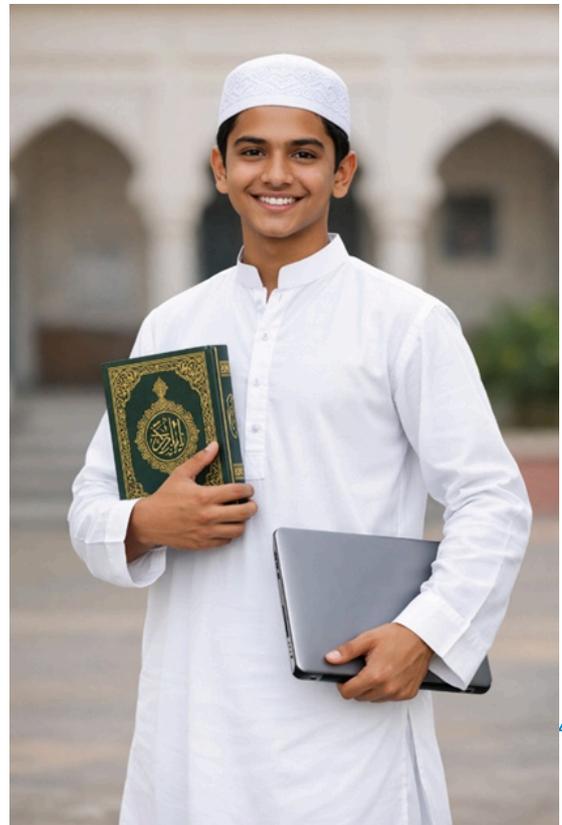

Inspired by the vision of a nation where **"The Quran is in one hand and the Computer is in the other"**, Vision International Academy (VIA) is a unique model school dedicated to mainstreaming Hafiz-e-Qur'an. We ensure that those who have memorized the Holy Quran, often from traditional backgrounds, do not have to choose between their faith and a modern education.

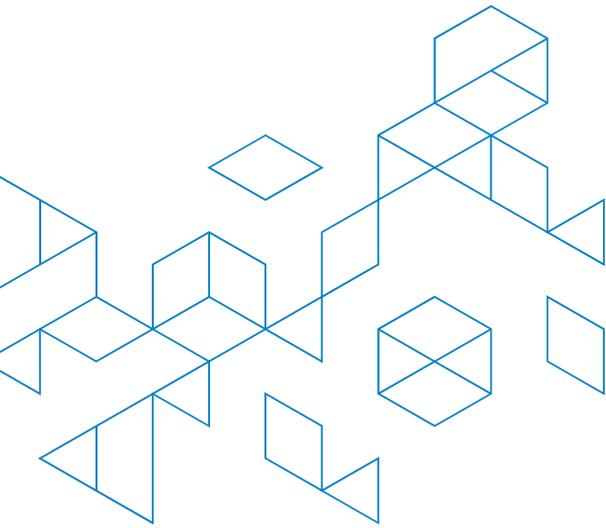

**"Quran in
one hand
&
Computer
in the other"**

WHAT WE DO

VIA provides a supportive residential environment where students:

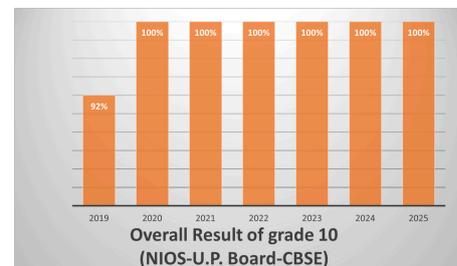

- **Preserve & Deepen Hifz:** Through rigorous Dawr and Deeniyat programs under esteemed scholars.
- **Excel in Modern Education:** Pursue a full CBSE curriculum (Science, Commerce, Humanities) from Grade 8-12.
- **Develop Life Skills:** Gain confidence, critical thinking, and exposure to a pluralistic India.

OUR PROVEN IMPACT

- **Outstanding Results:** Consistent district and zonal toppers in CBSE Grade 10 & 12 exams.
- **Transformative Futures:** Over 146 alumni are pursuing higher education in fields like Medicine, Engineering, Law, and more across India and abroad.
- **A Spreading Movement:** Our flagship model in Phullat, UP, has inspired numerous replicas, with a second established campus in Kodungallur, Kerala.

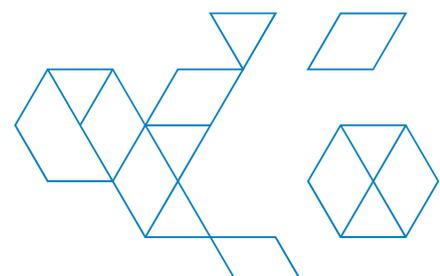

- 1 146+ Alumni in Higher Ed
- 2 District/Zonal Toppers
- 3 100% Pass Rates

VIA FOOTPRINT (SINCE 2017)

- 146 huffaz mainstreamed into 18 higher-education streams.
- Students from 17 states and 34 UP districts.
- CMMO VIA: First franchise at Kodungallur.

OUR NEXT LEAP: SCALE & EXCELLENCE

We aim to establish 100 VIA-type residential schools across India, realizing the NEP 2020 vision of an empowered and ethical citizenry.

We need to:

- **Enhance our Flagship Campus:** Upgrade infrastructure (staff quarters, canteen, labs) in Phullat to attract the best talent and provide superior facilities.
- **Expand Our Reach:** Establish new VIAs in states like Gujarat, Madhya Pradesh, Bihar, and Maharashtra, and a girls' center in Uttar Pradesh.

BACKED BY A VISIONARY SOCIAL REFORMER

A visionary educator and social reformer, **Mr. Ameer Ahamed** has dedicated his life to empowering the marginalized through knowledge and faith. Inspired by the legacy of Sir Syed Ahmad Khan and guided by the principle of "Quran in one hand, computer in the other," he founded VIA to bridge traditional Islamic learning with modern education.

Under his leadership, VIA has transformed hundreds of Huffaz into confident professionals and ethical leaders, while meticulously preserving their Hifz. His model has not only produced academic excellence but also inspired replications across India, including the franchise partnership with Cheraman Malik Manzil Orphanage (CMMO VIA) in Kerala.

A PERSONAL NOTE FROM THE FOUNDER

"Dear Well-wishers and Donors,

Our beloved India's rise as a superpower by 2050 depends on empowering every citizen with education and values. The Huffaz of our nation are a treasure of discipline, memory, and faith. By mainstreaming them through VIA's model, we are not only safeguarding the Quran in their hearts but also equipping them to contribute to national progress.

I invite you to join hands with me in this sacred mission. Your support is not just a donation - it is an investment in Sadaqa Jariyah, in nation-building, and in the future of thousands of young Huffaz who will carry both the Quran and the torch of knowledge to light the way forward.

Your support is crucial to help us nurture the next generation of Huffaz - as ethical professionals, practicing Muslims, and future leaders who will contribute to making India a superpower.

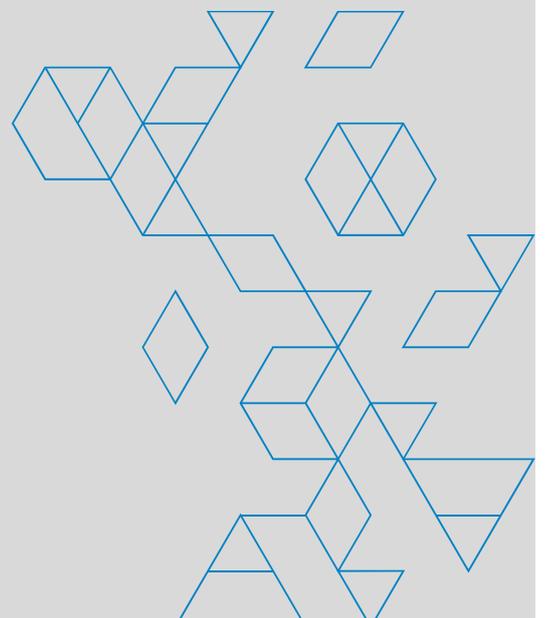

We aim to establish **100 VIA-model schools across India**, in alignment with **NEP 2020's goal of holistic education**.

Immediate expansion plans include new campuses in:

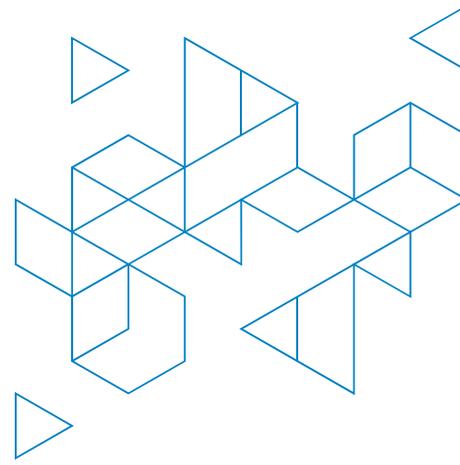

- **Khampur (UP) – Girls' VIA**
- **Himmatnagar (Gujarat)**
- **Burhanpur (Madhya Pradesh)**
- **Purnia (Bihar)**
- **Malegaon & Khuldabad (Maharashtra)**

Together, let us build an India where faith and modernity walk hand in hand."
